THE MANY WAYS TO RENT WITH CARTER RENTAL

OPEN A CAT® CARD ACCOUNT

The Cat® Card Program gives you that simplicity — plus the flexibility and resources to get what you need fast at any participating Cat dealer or Cat Rental Store in the U.S. and Canada. Wherever the job takes you, use your Cat Card just like a credit card for parts, service, rentals and more.

OPEN A CARTER CREDIT ACCOUNT

This non-revolving account can be used for regular parts, service and rental transactions at any Carter Rental location. By consolidating your day-to-day transactions under one account, you'll gain greater visibility to your costs and receive convenient 30-day terms.

PAY WITH A DEBIT OR CREDIT CARD

We accept all major credit cards. Driver's license required.

All payment options are subject to credit approval and deposits may be required. See Carter Associate for more details.
